Discover Taiwan and Japan on a special multi-country tour that combines top sights and experiences from two of Asia's most gorgeous islands, with seasonal tours that feature natural wonders, authentic cultural immersion, and local cuisine.

Taiwan and Japan are two of the top travel destinations in Asia, and our multi-country tours highlight the unique appeal of each amazing island. Experience mountainous landscape rich with breathtaking scenes of rivers, trees, lakes, and coastlines, and discover those one-of-a-kind natural wonders that bring inspiration to artists and adventurous dreams to wandering hikers. No tour would be complete without delving into the history and culture of these time-honored destinations, and our itineraries bring our guests to both traditional must-sees and hidden local gems of both Taiwan and Japan.

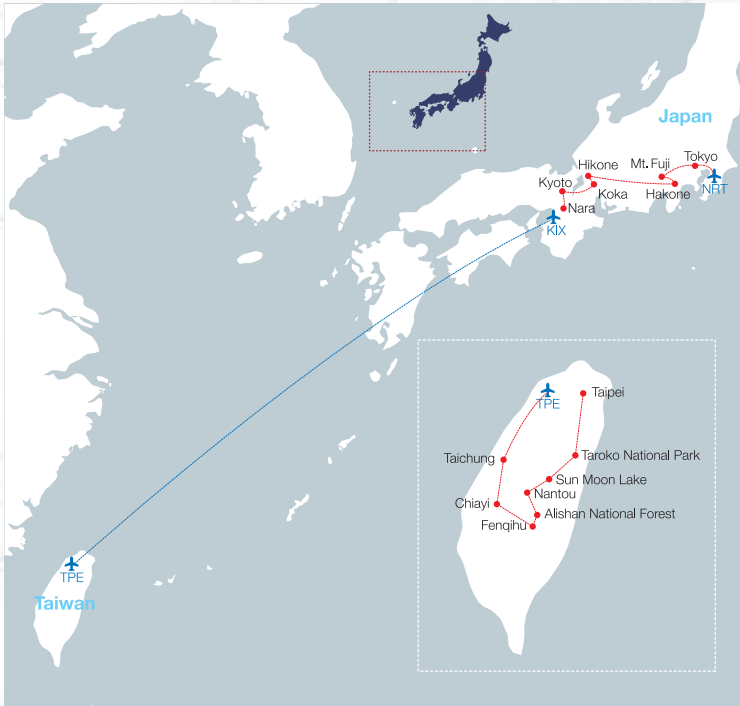

Explore the gorgeous island of Taiwan and get immersed in its local blend of cultural traditions - mostly Chinese with a dash of local Taiwanese flair. Depart from Taipei into the glorious Taiwan countryside, starting off with one of its most splendid sights: Taroko National Park. The park is home to Taroko Gorge - a natural wonder of Taiwan lined in white marble and called "the Grand Canyon of Taiwan". Then we travel through Hualien to Sun Moon Lake. The stunning mountains and forests surrounding Taiwan's most refreshing nature getaway make for excellent scenery, and our guests take in the best views from a sightseeing boat touring the lake. Then we partake in a wonderful tea tour of Maolanshan Tea Plantation, enjoying the refreshing local tea brand while strolling beside the beautiful fields. From there, we move toward the celebrated forests of Alishan, enjoying an easy hike through the woodland scenery before taking the Alishan Scenic Railway for unforgettable views of the mountains from the train. Finally, we reach the city of Taichung - one of the centers for local Taiwan culture, where we tour the top sights of the city, including Wufeng Lin Family Mansion and Garden, Rainbow Village, and Taichung National Theater, Gao-mei Wetlands, and Fengjia Night Market. We wrap up the Taiwan portion with a day tour of Taipei, with our guests enjoying access to the Chiang Kai-Shek National Monument, National Palace Museum, and the shopping mall inside Taipei 101 - lined with high-class stores and restaurants.

Continue from there to Japan, and our most popular route through the Land of the Rising Sun, landing in the city of Osaka. Discover the UNESCO Heritage temples of Nara and Kyoto, including Nara's Todaiji Temple - home to a friendly herd of over a hundred cute Sika deer. In Kyoto, view the shining phoenix of the Golden Pavilion and Kiyomizu Temple's dramatic veranda, plus get immersed in traditional Japanese refinement in a Green Tea Ceremony conducted by a Maiko. Travel through Koka to the Hakone region for a ride on the Hakone Ropeway to the Owakudani hot springs, and if the weather is favorable, splendid views of shapely Mount Fuji. Finally, we make our way to the capital city of Tokyo, with a day tour that includes Asakusa Sensoji Temple's "Gate of Thunder", gorgeous Ueno Park, the Imperial Palace, and Tokyo Tower.

Our Taiwan and Japan Tour has departures in the spring, summer, and autumn seasons, perfectly timed to take full advantage of both countries' seasonal beauty
