**Join one of our Best Ever Japan Food Tours for a delightful trip for foodie travelers to enjoy popular Japanese foods and partake in unique dining experiences.**

AJT's Best Ever Japan Food Tour is perfect for travelers who love Japan cuisine looking for a tour that offers a local cuisine experience. Our goal with this Japan Food Tour is to give the most authentic native Japan food experiences possible at eateries enjoyed by locals, savoring such delicious Japanese cuisine as takoyaki, okonomiyaki, shabu-shabu, oden, tonkatsu, yakitori, sushi, wagyu, and more. Experience the delights of Japanese food and sake on a tour covering the must-sees of Tokyo, Hakone / Mount Fuji, Kyoto, Nara, and Osaka. Select tours include an extension to Hiroshima and Shikoku Island, for guests who are looking to see even more of Japan.

When someone says "Japanese cooking", certain kitchen scenes and ingredients may naturally come to mind, like cooking with miso, drinking sake, or slicing raw sushi with a sharp Japanese-made knife. Our Best Ever Japan Food Tour features dining and food-related experiences that take you behind the scenes of Japan's food world. Taste fresh sake on a tour of the Sawanoi Ozawa Sake Brewery, observe the bustling Toyosu Fish Auction, make your own sushi in Tokyo, tour a miso factory, and learn how the best Japanese kitchen knives are made.

Japan has such an incredible variety of foods available that a single tour couldn't possibly do it justice, so our Japan food tour has focused on finding real food experiences that make you feel like a true Japan local. Browse hidden eateries in a "shotengai" shopping street, taste sample delicacies in a Depachika food market, nosh on yakiniku skewers and beer in Shibuya and Shinjuku, compare bowls of "mini-ramen" from different shops in Ikebukuro, enjoy colorful crepes and other sweets in Harajuku, step back in time to the Edo period as you dine on the traditional foods and sake in Kyoto's Gion and Pontocho districts, and experience Osaka's street food culture while tasting takoyaki and kushikatsu in the Shinsekai district.

With All Japan Tours, a foodie tour doesn't mean missing out on Japan's history and culture. Our Best Ever Japan Food Tour also includes a selection of the incredible locations that are must-sees for travelers going to Japan for the first time: stroll the tranquil grounds of Meiji Shrine, see the breathtaking Hakone region and catch a glimpse of iconic Mount Fuji from the Hakone Ropeway, and see the grand temples of Kyoto and Nara. Book one of our cherry blossoms or autumn leaves tours to admire Japan's seasonal delights. Some Best Ever Japan Food Tours include an extension to Hiroshima and Shikoku Island, where you can look through the Floating Gate at Itsukushima Shrine, take a cruise through Oboke Gorge, and try mouthwatering Kobe Wagyu Beef.

Our Best Ever Japan Food Tours include transportation provided by our convenient and comfortable private coach buses, meals as listed on the itinerary, deluxe accommodation, and assistance from one of our friendly, professional English-speaking guides.
