Explore Japan In-Depth on an extensive itinerary that includes both popular must-see sights and less-traveled locales, plus 6-days on beautiful Okinawa Island.

Our Japan In-Depth and Okinawa Group Tours offer the best Japan itineraries for people who are looking for that perfect tour that combines must-see destinations with less traveled locations. The tours stretch across three of Japan's main islands - Honshu, Shikoku, and Kyushu, and now include 6 days exploring the history, natural beauty, and local culture of Okinawa Island.

Okinawa is a paradise island with a rich history, unique local culture, and incredible natural beauty, and our tours are well planned to let you experience the island in-depth. See the marine wildlife of the Pacific (including an enormous whale shark) at Okinawa Churaumi Aquarium, and admire the beauty of the island as you visit Gyokusendo Cave, the Southeast Botanical Gardens, and Kouri Bridge. Delve into the history of Okinawa as you visit UNESCO Heritage Sites of the Ryukyu Kingdom - Shuri Castle, Sefa-Utaki, and Tamaudun Mausoleum. Then study the impact of the Battle of Okinawa during WW2 at the Former Japanese Navy Underground Headquarters, the Peace Park, and the Himeyuri Museum. Finally, experience some local culture as you shop at Kokusaidori, tour an Awamori Distillery, learn to cook with Okinawan longevity foods, and attend a Ryukyu Dance and Okinawan Dinner Show.

We visit all the top must-sees of Japan as we journey across Honshu Island - the bustling city streets of Tokyo, the historic temples and shrines of Kyoto and Nara, the stunning beauty of Hakone and Mount Fuji, and Hiroshima's famed Floating Gate. We also make time to visit Matsumoto's "Crow Castle", the picturesque Kurashiki Canals, UNESCO World Heritage Shirakawa-go, captivating Kenrokuen Garden in Kanazawa, and Takayama Old Town. Select itineraries are specially timed to take place during the unforgettable Takayama Spring or Autumn Festivals. We also see some of Shikoku and Kyushu Islands, including Ritsurin Park in Takamatsu, the Kitsuki Samurai Districts, The Hells of Beppu, Mt. Takasaki Monkey Park, Takachiho Gorge, and the Dejima District, Glover Garden, and Oura Church in Nagasaki.
