Embark on an extensive trip through three of Japan's main islands with a combination of hidden regions and famous destinations.

For those longing to explore regions of Japan less traveled by the common tourist, while still seeing the highlights that make Japan so popular, this tour is for you! Explore the bustling city of Tokyo, the ancient city of Kyoto, and the scenic city of Takamatsu, visiting three of Japan's main islands. You will have the opportunity to immerse yourself in Japanese culture by enjoying tender wagyu beef, making rich matcha tea with a maiko (apprentice geisha), and watching a traditional Yokagura dance performance. Ride through Japan on our private coach bus, as your English-speaking guide provides valuable insight into the attractions. Travel along in comfort with All Japan Tours, as we explore Japan in Depth.

On this extensive tour, you will visit hand-selected attractions designed for both first-time visitors and for those wanting to see Japan's more rural gems. Three of Japan's islands, Shikoku, Kyushu, and the main island of Honshu, each offer travelers a unique experience. You will visit popular destinations on Honshu Island, such as Tokyo, Mt. Fuji, Kyoto, Osaka and Hiroshima. In the bustling city of Tokyo, experience making your own sushi lunch and take a stroll under the hundreds of cherry blossom trees during March and April. Pay a visit to Hiroshima, a city destroyed by an atomic bomb during World War II. Today, the city flourishes and offers shopping centers, beautiful gardens, the Memorial Peace Park, and the Atomic Bomb Museum.

Travelers will also cross the Inland Sea to Shikoku Island by a scenic drive across Shimanami Kaido highway and visit Takamatsu, where you can visit one of Japan's most beautiful landscape gardens. Take a high-speed bullet train to Kyushu to visit hidden-gems in Beppu, Takachiho, Nagasaki, and in Fukuoka. Watch 1,500 wild Japanese macaques monkeys in their natural habitat in Beppu and enjoy a trip to the mythological town of Takachiho, where you can watch as performers reenact the legend of Amaterasu, the Shinto Sun Goddess.

Travelers that select a "Japan in Depth" itinerary with Japanese Alps will experience the rural, mountainous regions of Japan, including the preserved old town of Takayama, stunning cherry blossom tree or autumn leaves in Kanazawa, and the original-standing castle of Matsumoto. For those passengers wanting an escape from the bustling cities, we suggest joining our "Japan in Depth" with Koyasan, a small, secluded temple town known as the center of Shingon Buddhism. Here, you will have the chance to stay overnight in a Buddhist temple, where you will gain deeper insight into a monk's lifestyle.

Our "Japan in Depth" itinerary is perfect for those who would like a deeper understanding of a Japan that is rarely seen by the average visitor. Experience both rural areas and popular attractions in one unique Japan trip. With dates in spring and autumn, All Japan Tours selects the best dates and places to experience the cherry blossoms, autumn leaves, or even festivals.
