Journey to both South Korea and Japan in one tour package for the perfect introduction to two incredible Asian countries.

For those who love to explore and learn about different cultures, consider visiting these two major countries in Asia - Japan and South Korea! While the two countries share many similarities, they also have their own unique cultures. All Japan Tours has designed a special itinerary for guests, showcasing unique locales, "must see" tourist attractions, colorful cultural traditions, and delectable dining. Travel in comfort by private coach bus while your English-speaking guides show you the Highlights of South Korea and Japan.

Begin your tour in the beautiful country of South Korea, staying in Seoul for your first night. You will then make your way to Andong Hahoe Village, a UNESCO World Heritage Site with a river flowing along its borders. Travel to Gyeongju, known as the "museum without walls" for the amount of tombs, pagodas, rock carvings, Buddhist statuary, and palace ruins that can be found in the area. Here, you will have the opportunity to visit Gyeongju National Museum and also Cheomseongdae, the oldest astronomical observatory in Asia. Make your way back to Seoul, where you will stay for two nights, exploring the enormous city. Visit the chief temple of Korean Buddhism and visit Insa-dong Antique Street, where you can purchase handmade crafts. Before leaving South Korea to continue your Asia expedition, visit the DMZ, which serves as a buffer zone for North and South Korea.

Once you have flown from Seoul to Osaka, you will start your tour of Japan by traveling to Nara, where you can see the giant statue of Buddha at Todaiji Temple, or make new friends with the hundreds of wild deer. In the ancient city of Kyoto, you will experience the best gardens, temples, and shrines. Enrich your cultural side by partaking in a traditional green tea ceremony hosted by an apprentice geisha (maiko). Travel towards Mt. Fuji, visiting Hikone, where the beautiful Hikone Castle is surrounded by cherry blossoms in spring, and stopping at Hakone to take in the amazing views of Mt. Fuji. Stay overnight at a Japanese-style hotel, where you can relax in the hotel's hot spring bath. Once you have reached the bustling city of Tokyo, enjoy a bird's eye view of the city from Tokyo Tower, learn to make your own sushi, and during spring, visit Ueno Park, where you can see over a thousand cherry trees.

With exclusive access to gardens, temples, shrines, castles, museums and specialty shops, you will have a one of a kind experience and a chance to see why these countries are popular tourist destinations. Selected tours also include a visit to Hiroshima, where you will learn about the tragic history and bright future of the city. With tours based on seasonal attractions, and must see sites in every tour, you will truly enjoy your time in these two wonderful countries.
